

Prayer before Surgery for a male

O God, source of the healing You have planted within us, grant speedy healing to _____, who is soon to undergo surgery. Bless all involved in the healing process, be their domain physical, emotional or spiritual. May_____be blessed with a multitude of healing resources, with renewed strength and newfound vigor. Diminish his discomfort. Help him face what lies ahead so that he may, with courage greet life anew each day. Remind him that You are his shepherd, guiding him from darkness to light, from weakness to strength, from sickness to health. Let him feel hope as he places his trust in Your divine gift of healing. Praised are You, Adonai, healer of all creation.
